

A Taste of Walworth County

Taste your way through the Lake Geneva area with this fun culinary tour!

Your first stop is **Pearce's Farm Stand** in Walworth, where your group will sample some of the fresh produce grown right from their farm. Enjoy a culinary demonstration, plus a recipe to take home! Other options include box lunches, farm tours, wagon rides, and seasonal haunted attractions.

Head into downtown Delavan for some of Wisconsin's finest cheese, at **Brick Street Market**. This chic cheese market offers breakfast & lunch daily, plus wine and cheese flights, and demonstrations.

Your next stop is **Rushing Waters Fisheries**, where the culinary options continue! Your group can tour the expansive trout farm, sample a variety of trout foods, eat a full lunch - or participate in the popular "Hook & Cook." This entails fishing on one of many ponds on-site with the provided poles & bait. Once you've hooked your lunch, take it up to the restaurant for the chefs to prepare for you. Before you know it, that fish you just hooked is cooked and on your plate!

Your next culinary endeavour is at **Staller Estate Winery**, in conjunction with **The Black Sheep** of Whitewater. Here, you will tour the winery and learn how this country winery makes their award-winning wines. After, you will enjoy chef demonstrations and a group cooking class.

Your final stop of the day is **Lake Geneva Country Meats**, an old-fashioned full service butcher shop. Get an up close & personal look at their processing facility and retail tour - including a walk through their cooler, the cutting floor where expert butchers cut down sides of beef, the sausage kitchen, and their German smokehouses.

Prices start at \$53 per person!

Prices are subject to change and based on a group of 50 people. Contact the Walworth County Visitors Bureau for group dining & lodging options, or to finalize your itinerary.

Our winery tour begins at **Aepeltreow Winery**, located in Burlington. Pronounced "Apple True," this winery specializes in Wisconsin grown and produced Artisan (Hard) Ciders, Brandy, and Specialty Spirits.

From there, head to **Studio Winery** in downtown Lake Geneva. Sample their musically-named wines and listen to great local artists, or take part in a "Corks & Canvas" art class, for an additional fee. Enjoy lunch in downtown Lake Geneva on your own.

Next stop is **The Apple Barn Orchard and Winery**, where your group can pick their own fruit or head straight to their wine room to sample their delicious fruit wines. Don't forget to pick up some homemade cider and fresh cider donuts on your way out!

The third winery for the day **Northleaf Winery**, located in Milton. This winery will engage all your senses with their complimentary wine-tasting in their restored 1850s tasting room. Enjoy music and browse their gift boutique while enjoying this Wisconsin-made wine.

The last winery is located between Delavan and Whitewater - **Staller Estate Winery**. This winery only produces grape wines using winter hardy varietals, which are unique to the region. They produce their wines in house from grapes grown right in their on-site vineyard. Cheeses from local Wisconsin companies are available for purchase. For a fun conclusion to your day, add a wine dinner to your tour, where the local chef will pair seasonal foods with Staller's wine selections.

Prices start at \$21 per person!

Prices based on a group of 50 people. Contact the Walworth County Visitors Bureau for group dining and lodging options and to finalize your itinerary.
