

LAKE GENEVA AREA

• DOWN ON THE FARM •

With ten farms to tour throughout Walworth County, your group will experience fresh produce, delectable dining, scenic views, and more!

PEARCE'S FARM STAND

At Pearce's Farm Stand in Walworth, your group will sample some of the fresh produce grown right from their farm. Enjoy a culinary demonstration, plus a recipe to take home! Other options include box lunches, farm tours, and wagon rides. Ask about their pre-paid snacks such as delicious apple cider donuts or kettle corn to enjoy on the farm or to go.

ROYAL OAK FARM ORCHARD

Royal Oak's group tour packages are great for any age! Tours can consist of an orchard tour in tractor drawn wagons, lunch in the restaurant, shopping in the gift shop and bakery, evening hayrides and bonfires, and even apple or pumpkin picking if your group desires. Amaze 'N Apples, the first apple tree maze of its kind in the United States, has over 1.5 miles of winding trails as you make your way across the 5 acres it covers.

NORTHWIND PERENNIAL FARM

Northwind Perennial Farm offers several beautifully landscaped gardens for your group to meander through. Groups can partake in pre-arranged workshops or demonstrations with Northwind's expert staff, find unique gifts and home decor inside their antique barn, and peruse plants to buy.

RUSHING WATERS FISHERIES

The culinary options continue at Rushing Waters Fisheries! Your group can tour the expansive trout farm, sample a variety of trout foods, eat a full lunch, or participate in the popular "Hook & Cook" by fishing on one of many on-site ponds with provided poles and bait. Once you've hooked your lunch the restaurant chefs will prepare it for you, and just like that, your meal went from pond to table.

THE ELEGANT FARMER

Home of the famous Apple Pie Baked in a Bag, the Elegant Farmer has fresh picked and delicious offerings in the farm kitchen, bakery, deli and market. Explore their corn maze and make this a tasty shopping experience you won't want to miss.

STOP AND SMELL THE ROSES

This stunning rose garden has become a quiet gateway for visitors to "Stop and Smell the Roses." Drawing over 1700 visitors each summer, there are 14 raised beds among the trellises, along with a pond with a waterfall and bridge, and a gazebo. Ample parking, restrooms and the nicest host you will ever meet, make this one of Walworth County's best kept secrets for the group visitor.

MOON STAR FARM

Bring your group to Moon Star Farm to learn about organic farming. Experience the garden and pasture walk, a soap making demo, goat milking and herding with the border collies. At Moon Star it's not just a visit, it is an experience.

BARN QUILT TOUR

Learn about the history of many local farms and the significance of their barn quilts during the step-on guide Barn Quilt Tour. Sit back, relax, and enjoy the ride as you take the tour in the comfort of your own motor coach. Customize your day with meals and shopping.
